## Membership Program

Whistler Community Services Society (WCSS) welcomes you to our Membership Program. This card gives you access to all WCSS programs and services, just show your membership card or give your number. All information provided in your application is covered under our privacy policy, **"We do not give your private information to anyone outside the organization"**.

This information helps us to grow our membership, track program usage, design new programs and make existing programs better! Be a member in an organization that makes Whistler a better place to live!

As a member, you'll receive our newsletter, "The Umbrella" 8 times a year, receive Umbrella updates and news releases, and be given information specific to the program you originally enrolled in. *Show your card for 10% off at the Re-Use-It Centre!*

*If completing online, print form and bring into WCSS offices*
