# LANDLORD & TENANT ISSUES ADDRESSED AT NEW FREE WELCOME WEEK EVENT

November 19th  
5:30 – 7pm  
At the Whistler Conference Centre

This "Rent-It-Right" Welcome Week event allows panel members from the Residential Tenancy Branch, The Tenants Resource Advisory Centre (TRAC), BC Apartment Owners & Managers Association and the Whistler Housing Authority to address landlord/tenancy issues. A FREE event, 'Rent It Right' is designed to address questions, concerns and issues that renters or landlords may have in the Whistler rental market and offers an opportunity for some natural connections to be made.

This is a new event for the WCSS Welcome Week, which also includes events for newcomers to Whistler such as a Rotary Pancake Breakfast, Scavenger Hunt and the famous Welcome Week Dinner.
